

GIVING THE GIFT OF LITERACY

Books in Homes Program

booksinhomes.com.au

The Clifton Hill/North Fitzroy Community Bank branch has supported the Books in Homes Program for children in Years Prep, 1 and 2 at Sacred Heart Primary School (pictured) and St Joseph's Primary School, Collingwood three times per year since 2014, distributing 5,485 books.

The Books in Homes Program has provided disadvantaged children with the wonderful opportunity to experience a love of reading and books that other children in our community might just take for granted.

“Our kids are just so lucky to have a local business that is committed to the young people in its community, especially caring for the most vulnerable of these young people.”
