ABOUT US: Townview State

School is a diverse school located in rural outback Queensland. Our school provides a safe and caring environment for high quality learning to occur. The Townview motto is "Knowledge, Tolerance, and Integrity". This reflects the strong commitment of our school to encouraging every child to reach their potential while promoting social responsibility that goes with being part of a greater community. At Townview State School, we believe that reading is the key to building lifelong learners and supporting students to reach their potential.

Books in Homes allows our students and families to cultivate a passion for reading with a variety of fun texts that cater to all levels. Our students can select the genres that interest them and the authors that capture their imagination. Without Books in Homes and our Sponsor Glencore, many of our students would not have access to this rich assortment of texts outside of school.
